NOTES:

- Registration document for Master's Thesis shall be submitted to The Office for Master and Doctoral Studies or placed into the master exams registering box, which has been placed in front of the Amphitheater V.
- Section of the Rulebook for the Master academic studies, Art. 22, paragraph 3: „Student shall be obliged to defend his/her Master's Thesis in the period of six months since the date of the topic approval (themes of master thesis approves the Dean), and with taking into account the general deadline for completing the master studies. The student shall submit to the Office for Master and Doctoral Studies a final version of his/her Master's Thesis not later than two months before the above mentioned deadline. If the Master's Thesis has not been defended in the proposed time frame, the approved theme shall be cancelled, but the student can register the same topic once again.“
- Defenses of Master's Theses shall be scheduled during the entire academic year (regardless of the examination terms), and within the deadline of six months from the date of approval of the topic.
- Master's Thesis shall be submitted to the Office for Master and Doctoral Studies after mentor approves it for binding, in three hard copies (softcover, not spiral binding) and two electronic copies (on CD with written first name, last name, index number, and note that it is master thesis). The last page must contain basic biographical data such as date and place of birth and citizenship.
